If you need the toilet, this is where you will go.

You can use the toilet whenever you need to.

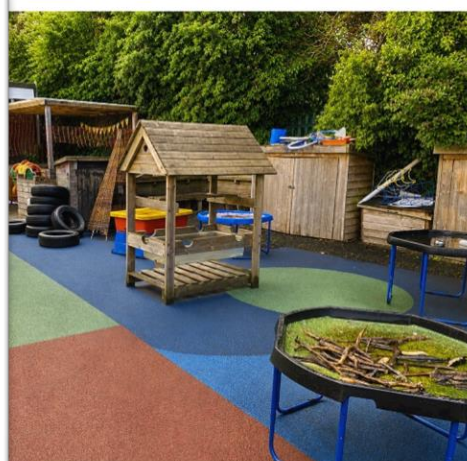

We always wash our hands after we have been to the toilet.

This is where you will eat your lunch if you are here in the afternoon...

At dinnertime, you will go to the hall with your friends and eat your food. You can have a school dinner or bring your own packed lunch in a lunchbox. After you have eaten, you will go back to the Nursery outdoor area to play with your friends.

Sometimes we go to Outdoor Explorers.

We have lots of fun at Outdoor Explorers. We can climb trees, make dens, look for animals and plants, and jump in mud and puddles! We wear our wellies and our outdoor clothes to keep us warm and dry.

Sometimes we go to the library.

If we want some quiet time, the library is a good place to go.

Sometimes we can take a book home to share with our adults.

If you go to before or after school club, this is where you will go....

It is a calm space where you can eat a snack and play with friends before or after school.

These are some of the adults who you will see there...

What wonderful things will you do
