Hello! I am so excited to meet you and get to know you. There are so many fun things to do and to learn about in Reception.

In the morning you will come down the path.

Mr Waters, our Headteacher, or Mrs Freeman, our Deputy Headteacher, will be there to say hello and give you a wave.

Don't forget to give them a big smile and say hello.

Then you will walk to your classroom door.

Miss Lees will be there to greet you and welcome you into your classroom.
You can say good bye to your adult and go and play with your new friends.

It is important to be on time so that no learning time is missed.

Then you will hang your coat in the cloakroom.

This is the cloakroom where you will hang your belongings. You will have your own peg with your name on.

Then you will play in your new classroom.

If you need the toilet, this is where you will go.

You can use the toilet whenever you need to.

We always wash our hands after we have been to the toilet.

This is where you will eat your lunch...

At dinnertime, you will go to the hall with your friends and eat your food. You can have a school dinner or bring your own packed lunch in a lunchbox. After you have eaten, you will go onto the playground to play with your friends.

Sometimes we go to Outdoor Explorers.

We have lots of fun at Outdoor Explorers. We can climb trees, make dens, look for animals and plants, and jump in mud and puddles! We wear our wellies and our outdoor clothes to keep us warm and dry.

Sometimes we go to the library.

If we want some quiet time, the library is a good place to go.

Sometimes we can take a book home to share with our adults.

If you go to before or after school club, this is where you will go....

It is a calm space where you can eat a snack and play with friends before or after school.

These are some of the adults who you will see there...

What wonderful things will you do

Have a great summer holiday.
We will see you in Reception in
September.
